

Public Safety Committee Meeting Minutes  
April 19, 2011

4:01 called to order.

Roll call - Glenn, Melody, Shawn, Joe G., Carl, Tim K. , Larry arrived at 4:12

Discussion on drawing water from Panis pond, Joe Geldmeyer stated the township is waiting to get quotes to dredge the pond from Morin or Weber. Motion to table any action until the township decides on what they want to do was made by Glenn, 2nd by Melody.

Shawn talked about the air packs not passing inspection. All air-packs are too old and need to be replaced ASAP. He had a quote from Aladdin Fire Protection of \$425 for each unit. 10 air-packs need to be replaced. Within budget and needs to be done since we would be in violation of law.

Shawn also brought up compensation for firefighter, bookkeeper and for fire Chief when he has to leave his job for a major accident/fire. Would like to be reimbursed for time missed from job. We will put this on the next agenda for May.

A follow up on the property at 1340 River St., owner needs to make repairs to house. Wayne Ruechel will send out another notice (3rd) to owner.

Tim K. talked about raising \$\$ for baseball field. He would like to put up advertising along the outfield fence line. This has been referred to the Park -N- Recreation committee for further discussion.

No other action a motion by Melody and 2nd by Larry to Adjourn. 4:40PM.

As submitted by Alderman Lantagne
